

CURRENT FEES AND CHARGES FOR SERVICES*

Charges for water and services are based upon the number of thousand gallons that pass through the meter in a billing period, a Readiness to Serve fee based on meter size, a Local Unit fee determined by your Local Government, and any other service charges that may be incurred.

In order to prepare the water bills, each water meter is read four times a year – approximately two weeks before the bills are sent out.

Bills are sent to each customer four times a year and are due in the months of **March, June, September, and December.**

Ready to Serve Fees:

5/8" meter	\$16.75/quarter
1" meter	\$18.43/quarter
1 1/2" meter	\$30.15/quarter
2" meter	\$48.58/quarter
3" meter	\$184.25/quarter

Current Water Usage Rate: \$4.20 per thousand gallons
